PROFESSIONAL SUMMARY

Computer Science undergraduate and freelance developer focused on software and web application development. Works with C++, Python, JavaScript, React, Next.js, and Node.js, with experience building responsive interfaces and practical technology projects. Interested in software engineering, artificial intelligence, and solving real-world problems through software.

EDUCATION

University of Calicut — Kerala, India
B.Sc. Computer Science (Honours) | Expected Graduation: 2030

TECHNICAL SKILLS

Programming: C++, Python, JavaScript
Frontend: HTML, CSS, React, Next.js, Bootstrap
Backend: Node.js
Databases: MySQL, MongoDB
Tools & Platforms: Git, GitHub, Linux

PROJECTS

VEHICARE — Agentic AI-Powered Vehicle OS

Developed as a vehicle-management concept featuring vehicle monitoring, health scoring, service history, a digital document vault, fuel tracking, live vehicle tracking, nearby mechanic discovery, roadside assistance, and emergency SOS. Built with Team MSNOLIX at HOJATHON S1, Hoja Techademy.

AI-Based Career Finder

Building a web application that uses AI-based analysis to help users explore career paths based on their skills and interests. Includes an interactive React frontend and Node.js backend functionality.

Automated Worker Work & Rest Time Calculator

Developed a system to calculate workers' working and resting periods and use recorded time to support income calculations. Designed to reduce manual calculation and improve consistency in payment calculations.

Personal Portfolio — MSNOLIX

Personal portfolio website presenting software development work, projects, technical skills, and professional information.

EXPERIENCE

Freelance Developer — Kerala, India

Develop web-based solutions for clients and personal projects. Translate requirements into functional interfaces, build responsive websites, and manage development workflows including version control, testing, deployment, and client communication.

CERTIFICATIONS

- Google Play Console Certificate
- Cybersecurity Course Completion Certificate
